

UNITED STATES OF AMERICA, ) Case No.: 17-1485M  
Plaintiff, )  
vs. ) ORDER OF DETENTION  
[18 U.S.C. §§ 3148(b), 3143(a)]  
AMANDA BROWN, )  
Defendant. )

---

On June 12, 2017, Defendant AMANDA BROWN made her initial appearance following her arrest on a bench warrant issued by the United States District Court for the Western District of Wisconsin on June 12, 2017 for alleged violations of the terms and conditions of pretrial release.

The Court has reviewed the files and records in this matter and conducted a detention hearing pursuant to 18 U.S.C. §§ 3148(b) and 3143(a).

The Court finds, pursuant to 18 U.S.C. § 3148(b), as follows:

1. Based on the factors set forth in 18 U.S.C. § 3142(g), there no longer is any condition or combination of conditions of release that will assure that the defendant will not flee or pose a danger to

1 the community or to others if allowed to remain on bail pending future  
2 court proceedings.

3 2. The Court has taken into account the allegations of  
4 defendant's noncompliance with the conditions of pretrial release as  
5 alleged in the petition for action on conditions of pretrial release  
6 and warrant for arrest issued by the United States District Court for  
7 the Western District of Wisconsin.

8 The Court finds that the conduct defendant is alleged to have  
9 engaged in constitute a change in circumstances which justifies  
10 reconsideration of the decision to allow her to remain on bail pending  
11 future court appearances. The Court now finds that, under the current  
12 circumstances, clear and convincing evidence does not exist to show  
13 that the defendant is not likely to flee or pose a danger to the  
14 community or to others if allowed to remain on bail.

15 IT THEREFORE IS ORDERED that defendant is remanded to the custody  
16 of the United States Marshal.
